INTRODUCTION

To enhance the quality of an institution, the stakeholders and their feedback are the most important aspects for the institution. The observations of the stakeholders and their constructive feedback help the institution in achieving its goal by improving the drawbacks in a systematic way.

The stakeholders i.e., students, teachers, parents and alumni involve either directly or indirectly in the process of feedback and help in guiding the institution.

As the **Students** are directly involved to the institution and hence, they remain the foremost stakeholders. So, their feedbacks are quite valuable for the institution. On the other hand, **Teachers** are another important stakeholder of an institution as they are connected in the process of curriculum delivery and guide the institution for its holistic development keeping ahead the students' welfare. The feedback and suggestion of the **Alumni** of a college as well as the views and opinions of **Parents** are equally indispensable as it can better reflect the overall performance and development of an institution. These stakeholders serve as major driving force of an institution and involve in every aspect of policy making and implementation. They also leave an impact on the overall development of the institution.

a) Students' Feedback

IQAC has developed a 13-point student feedback proforma. It is distributed among the students so that the same may be procured by the students.

b) Teachers' Feedback

Teachers have obtained 10-point feedback proforma from IQAC office.

(c) Guardians' Feedback

IQAC has developed a 14 point guardians feedback proforma, it is distributed among the students so that the same may be procured by the guardians.

(d) Alumni's Feedback

Secretary or President of Alumni Association of Kalabari College has collected a 11 point feedback proforma from QAC office.

We have made a close and detailed study of the feedback received from the students, teachers, guardian and alumni and have taken serious note of below average and average point marked in the feedback proforma.

Feedback of Degree students were obtained in December 2017. Emphasis was given on to understand the students' perception towards the relevancy of existing course structure, infrastructure, learning resources etc. Students were also given a scope to evaluate the teachers based on 13 components as shown in the questionnaire. 50% of collected feedbacks have been tabulated, processed randomly and findings were then communicated to the department for their evaluation and necessary action.
